

Cleaning Requirements - Before Moving Out

Before you move out, the apartment must be thoroughly cleaned. **Follow all instructions below.** All surfaces must be free from dust, dirt, grease, limescale, stains, and soap residue.

The cleaning must be carried out so carefully that the next tenant can move in without any additional work.

If the cleaning does not meet the requirements, Krambo may need to hire a cleaning company. The cost will be charged to you. The minimum charge is 1500 SEK.
